Volunteer with P.A.S. at the Fair!

We need YOU to help make the 174th Warkworth Fall Fair a success! There are lots of ways to get involved, whether you can lend a hand for a few hours or help throughout the weekend. Volunteer opportunities include set-up and tear-down, helping at the gates, working in the beer garden, assisting with our pancake breakfast, and much more. There's a role for everyone!

Looking for volunteer hours? The fair is also a great opportunity for high school students to earn their required community involvement hours while having fun, meeting new people, and being part of a great community event.

Ready to get involved? Complete the volunteer form in the link to tell us about your interests and availability **by August 14th**. We'll be in touch with more information!
