Sourdough Workshop

Thank you to everyone who joined us for our first Sourdough Workshop on June 6th! Twelve participants learned the art of sourdough baking, stretching, and folding their own loaf to take home and bake, while also receiving their very own sourdough starter. The workshop was filled with valuable information, stories, shared experiences, and plenty of fun.

Due to the overwhelming interest and positive feedback, we are excited to announce a second workshop on **Saturday, August 22nd**. We look forward to welcoming another group of aspiring sourdough bakers! Contact Lara at lara.loze@gmail.com for more information.
