Celebrate Canada's Agricultural Day - February 10th, 2026

Join us in marking the **10th anniversary of Canada's Agricultural Day** – a national celebration of people, passion, and pride behind Canadian agriculture. This day recognizes the hardworking individuals who bring food to our tables and showcases the innovation, dedication and resilience that drive our agriculture and food sectors.

How can you get involved? Use **#CdnAgDay** on social media to connect with others across the country and celebrate together by:

- Posting a photo of your favourite Canadian-grown meal
- Sharing a story about a local farmer, producer, or agricultural hero who inspires you
- Highlight how agriculture plays a role in your community – from local farms to the food on your plate
- Say “thank you” to the hardworking people who feed us all.

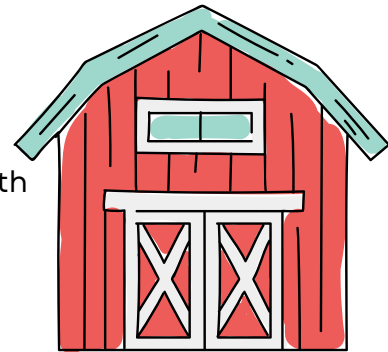

We would love to see your photos too! Tag **Warkworth Fair** and share your ideas and photos directly to our Facebook page to join in the celebration. Look for our FB post February 7th to share.
