## December Recap FESTIVAL OF TREES

Thank You for Making the Festival of Trees a Magical Success!

We want to extend our deepest gratitude to everyone who stopped by the Red Barn for our annual Festival of Trees December 5-7th! The energy and holiday spirit you brought made the event truly special.

This year's festival featured a spectacular display of 33 beautifully decorated live trees, each a unique vision of holiday cheer. Whether you came to simply enjoy the magical sights, try your luck in the tree raffle, or participate in the excitement of the Silent Auction, your presence made a difference.

A special thank you goes out to our generous tree sponsors, as well as our Silent Auction donators—your support is the heart of this event. We also appreciate the incredible generosity of those who dropped off a food donation; your contributions will directly benefit our local food bank during the holiday season. Because of you, this year's Festival of Trees was a huge success, spreading both joy and community support!

THANK  
YOU!
